COMMITTEES

Climate Change Advisory: *Helps guide CMTA policy positions on AB 32 implementation, climate change legislation and CMTA participation in broader industry coalitions such as the AB 32 Industry Implementation Group.*

Corporate Counsel: *Supports legal reform efforts to lessen the burden on companies conducting business in California - focusing on liability law and judicial process reforms.*

Energy: *(Available only to manufacturing companies - not our associate members. Additional member fee required) Supports direct access of customers to competitive energy alternatives and cost-of-service based rates for monopoly services.*

Environmental Quality: *Supports cost effective environmental legislation and regulation that protects human health, and that is compliance-oriented, rather than enforcement-oriented.*

Government Relations: *Oversees CMTA's lobbying efforts.*

Labor & Employment: *Works to resolve labor workforce issues - health, meal periods, paid leave, unionization, labor litigation, and other employer mandates - without compromising California's workers or employers' competitiveness. Supports reform of California's costly workers' compensation system.*

Tax: *Works to reduce and eliminate taxes that put California manufacturers at a competitive disadvantage.*
