Half of your annual dues, up to \$150, will be a contribution to the CMTA Political Action Committee (PAC). This will neither increase nor decrease your dues amount. If you choose not to have a portion of your dues reported as a contribution to the CMTA PAC - please check the space below. Contributions to CMTA PAC are voluntary and not tax deductible.

Of your dues, we estimate that 55% is allocable to lobbying expenses and therefore not deductible as an ordinary and necessary business expense. The remainder of your dues is generally deductible as an ordinary expense of doing business.

You should check with your tax professional to determine exactly how this impacts your situation.

I do not wish to have a portion of my annual CMTA dues reported as a contribution to the CMTA PAC.
